

Now is the time to make sure you are prepared.

- 1. Keep checking for the latest updates on the storm**
- 2. Purchase bottled water, non-perishable food, and cleaning supplies for after the storm**
- 3. Have plenty of prescription meds, flashlights and batteries, etc.**
- 4. Make sure you fill the gas tank of your car**
- 5. Secure all personal items, including patio and balcony furniture.**

In the event of power outage, the elevator will not be operational, make sure you have any back up assistance available if needed.
